

Comparing **Integrated & Server Concierge Management** options for Cloud Server Solutions.

Get Affordable Flexibility & Rest Easy with Full Management.

A Cloud Server allows you to reduce your total cost of ownership by giving you greater control over your hosting platform for a fraction of the cost of a Dedicated server. Cloud Servers offer extensive flexibility to meet your changing technology needs without requiring major infrastructure investments.

Integrated Management: *Fundamentals for Success*

With Applied Innovations' standard **Integrated Management**—included with every Cloud Server—you get the hassle-free benefits of cloud hosting with ultimate control, flexibility and scalability. We see these features as fundamental to providing a solid hosting foundation, which means you get greater functionality at the best price.

- ▶ Network & Server Monitoring 24x7x365
- ▶ Operating System Patches & Updates
- ▶ Maintain Network Uptime & Guarantee
- ▶ Maintain Hardware Uptime & Provide Replacements As Necessary
- ▶ Immediate Response to Cluster/Hardware Configuration, Data Center & Network Issues
- ▶ Managed Daily Backup & Retention

Server Concierge Management: *The White Glove Treatment*

Applied Innovations' **Server Concierge Management** option is a hassle-free turnkey solution that allows you to focus on your business instead of worrying about hosting infrastructure. It delivers all the benefits of **Integrated Management** PLUS an array of premium services that will completely change the way you look at web hosting.

- ▶ All Features of Integrated Management
- ▶ Services & Application Monitoring 24x7x365
- ▶ System Administration & Troubleshooting
- ▶ IIS Administration & Troubleshooting
(*Web Services & FTP Services*)
- ▶ DNS Administration & Troubleshooting
- ▶ Mail Server Admin & Troubleshooting
- ▶ SQL Administration & Troubleshooting
